

A modern interior hallway with a skylight, dark tiled floor, and a large vase with dried branches. The hallway is long and narrow, with a skylight on the ceiling. The walls are a light, neutral color. On the right wall, there is a large, textured, light-colored vase containing several dried, thin branches. The floor is made of large, dark grey tiles. In the background, there are several doorways and a framed picture on the wall. The overall atmosphere is clean, minimalist, and sophisticated.

The image shows a modern interior space, likely a lobby or atrium. In the center, there is a large, square, recessed fountain with water flowing into it. A tall, cylindrical column with intricate, dark, swirling patterns stands in the center of the fountain. To the right of the fountain, there is a row of six smaller, cylindrical columns with a textured, metallic appearance. The walls are made of light-colored stone or concrete blocks. On the left wall, there is a large, diamond-shaped decorative element with a dark, intricate design. The ceiling is high and features a glass railing on an upper level. The overall atmosphere is clean, modern, and artistic.
